We love referrals!

If you make a referral to us, you will receive £200; your friend/colleague who you have referred will receive £50. To qualify for a referral bonus your referral must not be known to our agency already. Simply pass on their details to us (with consent) or ask them to contact us directly and mention your name. Once they have worked 150 hours for us the bonus payment will be paid out to you and your referral. If you are working for us the payment will be subject to the usual HMRC statutory deductions. There is no limit to how many friends or colleagues you can refer.

Refer 5 friends and receive £1000!
